skwares collectable merchandise

We are pleased to introduce the full range of official Licensed Metal Key Fobs, Licensed Pet Tags and Licensed Padlocks. We've brought together popular characters from blockbuster films, hit TV shows, retro computer games, as well as classic comics.

These deluxe metal key fobs, pet tags and padlocks are made from a premium steel, giving a weightier feel than the standard alloy alternative, with a superior chrome split & jump ring combination. The sublimation process presents rich colours, in a gloss finish.

Licensed items are proving extremely popular amongst retail customers, whether they are in-store looking for an impulse purchase, or Collectors online looking for new items in their favourite brand.

Don't miss a great opportunity to introduce your customers to these popular ranges!
